Uh-Oh

Sometimes not everything goes according to plan. Even so, God is always with us. Talk with a parent about what you could do right when a situation goes wrong! (Parents: Talk through the scenarios below with your kid. Help them figure out what doing the right thing looks like.)

1. You are at school and see your friend left their tablet on the bus. Do you: keep it OR find your friend and give it back?
2. Your friend is really scared because they are moving to a new town. What could you do or say to encourage them?

Know you can always ask God to help you do the right thing.

That's the Plan!

In this week's Bible story God told Joshua to march around the city of Jericho seven times and the walls would fall and his people could take over the city. Joshua listened to the plans God made and it was so much better than he could have imagined! Ask God to help you this week when things don't go as planned.

"Dear God, Sometimes I think I have a really good idea and it doesn't work. I can get super disappointed and upset. Please remind me of the story of Joshua and the walls of Jericho. Thank you for having the best plan. Amen."

Ah, Success!

Grab an adult and look up Jeremiah 29:11. Read it together a few times. Now, look for the word "success" or "prosper" within the verse. With a parent, ask these questions: What have you done in your life that has been a success? What is something at which you want to succeed? Imagine all you can do if you make God part of your plan!

Think about something you want to do that you could ask God to help you with.
