### ICEBREAKER

It's time for the classic ice-breaker...share with the Group your most embarrassing moment?

### DISCUSSION QUESTIONS

1. The message mentions various ways people deal with pain and rejection. How have you dealt with pain and rejection in your past? What can we learn from Joseph's approach?
2. It's an understatement to say Joseph came from a highly dysfunctional family :) How can his story provide hope and guidance for those dealing with similar family or relationship issues today?
3. How does guilt manifest in our lives, and what steps can we take to overcome baseless fears rooted in past sins?
4. How does Joseph's act of forgiving his brothers reflect the forgiveness offered by Jesus? How can we apply this in our own relationships?
5. How has suffering and adversity been used by God to shape your character and prepare you for future blessings?
6. What practical steps can we take to maintain our faith when life doesn't make sense and we face prolonged periods of hardship?
