DISCUSSION QUESTIONS

1. Share with the Group the busiest season of your life. How did that impact you emotionally and spiritually?
2. Pastor Byron opened the message with the statement, "The greatest enemy of the life you want is the life you're living." How does this challenge you to evaluate your current lifestyle and priorities?
3. In what ways can following Jesus' pace, as opposed to just His direction, transform your daily life and relationships?
4. Busyness can often manifest itself as "running from" or "running to" something in your life. What could you be "running from" or "running to?" How can you address these motivations in light of Jesus' teachings?
5. What is one change you can make this week to experience the "unforced rhythms of grace?" (Mat 11:28-30 MSG)
