DISCUSSION QUESTIONS

1. The message suggests that peace is not the absence of chaos but the presence of something greater. What does this mean to you, and how can you apply it to your daily life?
2. In what ways do you find yourself rushing through life, and how might adopting "unhurried rhythms of grace" change your experience?
3. How can you cultivate "unbroken closeness with the Father" in your daily routine, and what obstacles might you need to overcome?
4. Pastor Byron mentions living in "undivided presence moment by moment." How can you practice being fully present in your interactions and experiences? What keeps you from being present more consistently?
5. Reflect on a time when you felt true peace. What were the circumstances, and how can you seek to recreate that peace through your relationship with God?
