### **DISCUSSION QUESTIONS**

1. Reflect on a time when you prayed for something specific and didn't receive it. How did that experience shape your understanding of God's wisdom and provision?
2. Why do you think God desires us to pray if He already knows our needs? How does this understanding change the way we should approach prayer?
3. How can we cultivate a mature faith that not only asks but also trusts God with the outcome?
4. Discuss the concept of "daily bread" as mentioned in the sermon. How does this idea encourage us to trust God for our daily needs rather than seeking long-term security?
5. Think about a time when you struggled to trust God with an unknown future. What steps did you take to surrender your concerns to Him, and what was the outcome of that trust?
